Subject: **YUKAN ULTIMATE KARATE CHAMPIONSHIP**

March 3<sup>rd</sup>, 2008

Dear Shihan, Sensei or Sempai,

Osu! We are pleased to invite you to our annual tournament which will be held on **Saturday, May 3<sup>rd</sup> 2008, at Casgrain Center, John-Abbott College, 21275 Lakeshore road, Ste-Anne-de-Bellevue, Québec** (a 20 minute drive from Montréal downtown).

Kata, weapon kata and semi-knockdown competitions will take place during the day and a Knockdown Championship will be presented in the evening, starting at 7:00pm. **Registration for day participants will start at 8:00am and the competition will begin at 9:30am sharp.** Weigh-in for knockdown fighters will take place on Saturday morning from 9:30am to 11:00am or on Friday evening from 6:00pm to 8:00pm, at the Montreal Kanreikai Karate dojo.

Application fees for the day-competition are **35 \$CAD per participant for one event, plus 5 \$CAD for every additional event.** Given the ever increasing number of competitors and in order to accelerate the registration procedure on the morning of the tournament, we are asking you to submit your application form(s) **no later than April 23<sup>rd</sup> 2008.** An additional fee of 10 \$CAD will be required for any application received after this date.

Please note that **all participants must enroll prior to the day of the tournament and that no application will be accepted on the day of the tournament.** Moreover, **all application fees paid on the day of the tournament will have to be in cash only.**

This year again, there is **no entry fee for knockdown competitors (who must be at least 18 years old).** Moreover, their participation in the championship makes them **eligible for a Grand Prize of 1000 \$CAD** that will be awarded to the winner (1<sup>st</sup> place) of each category.

We are also offering spectator tickets at a discount price. Starting now, and **until April 23<sup>rd</sup> 2008**, you can purchase tickets to attend the **day-competition** **and** the **Knockdown Championship** in the evening for only **15\$CAD per ticket**.

Enclosed are application forms for the various competitions and all necessary information about the tournament (inscription procedure, categories, rules, directions to John-Abbot College, lodging, etc). We suggest that you make photocopies of the application forms and information relevant to your participating students (and their parents). We also include specific instructions for coaches in order to minimize delays and favor a smooth-running tournament.

As for previous Montreal Kanreikai Karate tournaments, our purpose remains the same: to offer to the numerous participants from Canada, the United States and elsewhere, the opportunity to meet each other and compete in the best possible conditions in front of their parents and friends.

I sincerely hope to welcome you and your students at our upcoming 2008 tournament.

Osu!

Sensei Denis Cordeiro

## YUKAN ULTIMATE KARATE CHAMPIONSHIP

### JUDGES

- All sensei and sempai wishing to participate in the tournament as judges will need to wear the appropriate attire (black trousers, black or white shirt) and provide their own whistle.
- Judges will meet with Shihan Manny Matias at 9:15am, before the kata and weapon kata competition. Another meeting will take place before the semi-knockdown competition, in early afternoon (exact time to be specified).
- Knockdown Championship judges will meet with Shihan Manny at 6:30pm.
- We strongly advise all judges to review the enclosed semi-knockdown and/or knockdown rules in force during the tournament.

### CATEGORIES AND SUB-CATEGORIES

For the day-competition, enrolled participants are grouped into pre-established categories according to the type of event (kata, weapon kata, semi-knockdown), their age, belt level, sex and weight (for semi-knockdown) – see enclosed tables of categories. A minimum of two participants per category is required; if only one candidate is enrolled, he will be reclassified or reimbursed. If too many participants are enrolled into the same category, the category will be divided into two or more sub-categories.

During registration, an identification number will be written on the participant's left hand. The category (or sub-category) number for each event in which the participant has registered will be written on his right hand.

During the day-competition, categories (and sub-categories) will be called in increasing numerical order (1, 2, 3, 4-1, 4-2, 5, 6, etc. - see tables of categories). Each category (sub-category) being called will be paired with a letter (A, B, C, D, etc.) identifying the court where the event will take place. The number of the category (or sub-category) will also be displayed in front of the corresponding court.

## **YUKAN ULTIMATE KARATE CHAMPIONSHIP**

### **SENSEI AND COACHES**

We are pleased to welcome free of charge all sensei and coaches from the participating dojo. However, we are limiting the number of coaches per dojo to a ratio of **one coach for approximately 10 enrolled participants**. We would like to avoid having too many “coaches” inside the competition area in order not to impede the work of the judges and volunteers nor block the view of parents and friends staying outside this area.

### **Sensei:**

- On arrival, all sensei must go to the “Sensei” table located in the entrance of the College. They will receive the badges and entry tickets for their coaches (according to the ratio of 1 coach for 10 enrolled participants). Every coach will have to wear a badge to have access to the competition area.
- Sensei will be invited (if need be) to pay off their students’ application fees at this table; they will also have the opportunity to ask for any additional information.
- Trophies will be awarded immediately after the completion of the event for each category (sub-category).
- The three winners of each category (sub-category) will then be invited to go to the podium to have their picture taken.
- Drinks and snacks will be on sale from 9:00am to 5:00pm at the Snack Bar located at the entrance of the gymnasium.

### **Coaches:**

The coaches selected by the sensei must take charge of their dojo’s students throughout the day-competition. Their main tasks are as follows:

- Ensure that their students promptly go to the table of the designated court when their category (or sub-category) is called by the announcer – the category (or sub-category) number will be displayed in front of each court;
- Ensure that their students participating in the semi-knockdown competition wear the mandatory protection gear and remain near the court throughout the event;
- Ensure that their students having won one of the three first places go to the podium to have their picture taken immediately after the trophies ceremony;
- Ensure that their students behave in a courteous manner and show sportsmanship;
- Ensure that their students’ parents and friends remain outside the competition area.

### DIRECTIVES FOR SEMI-KNOCKDOWN PARTICIPANTS

- **Weigh-in is mandatory for all semi-knockdown participants.** These competitors must complete their registration by reporting to the 'Weigh-in table' (inside the gymnasium) between 8:00am and 11:00am.
- In fairness to our young participants and for their safety, please make sure that the weight of each participant enrolling for the semi-knockdown competition is as exact as possible. Competitors significantly lighter or heavier than most of the participants of their category will be reclassified into another category with the consent of their parents or instructor. If a participant cannot be classified into any category, he will be reimbursed for that event. We therefore urge you to submit all application forms within the allotted time (before April 23rd, 2008) so that we can inform you in advance if a participant has no opponent in his semi-knockdown category. **Please note that too large a discrepancy between a participant's weight on the morning of the tournament and the weight indicated on his application form could lead to his disqualification.**
- Participants in the semi-knockdown competition **must provide the mandatory protective gear** in conformity with the (enclosed) rules in force at the tournament. Chest protectors will be available on the competition site.

### ENTRY FEES FOR SPECTATORS

On the day of the tournament, entry fees for spectators will be as follows:

-10\$CAD for the **day-competition,**

-20\$CAD for the **day-competition and Knockdown Championship** - ticket purchased before noon

-25\$CAD for the **Knockdown Championship** - ticket purchased after noon or at the door.

We are also offering spectator tickets at a discount price. Starting now, and until April 23<sup>rd</sup> 2008, spectators can purchase tickets to attend the **day-competition and the Knockdown Championship** for only 15\$CAD per ticket.

To do so, you can either:

- Complete the "**Purchase Coupon**" (enclosed), or
- Complete the **lower portion of the "Group Application Form"** if using the latter.

- One point (ippon) is awarded when a fighter knocks down his opponent using any legal technique for three seconds or more; the head judge must count the seconds out loud so that it is obvious to all judges.
- A half point (wazaari) is awarded when a fighter knocks down his opponent using any legal technique for less than three seconds.
- Two half points (wazaari) add up to one point (ippon).

## **KNOCKDOWN CATEGORIES (continued)**

### **6. KOUKA**

- A kouka is allocated to a fighter for striking his opponent with a clean solid shot (by any legal technique) that reaches its target.
- A kouka is taken into account by each judge when deciding the winner of a fight.

### **7. HOW TO WIN A KNOCKDOWN FIGHT**

- By scoring an ippon against the opponent, i.e., one decisive strike being worth one point.
- By scoring an ippon against the opponent through two wazaari, i.e., two strikes each one being worth half a point.
- When three or more judges determine one fighter as the winner.
- When one fighter is disqualified, the other one automatically wins.
- When one fighter withdraws from the competition, the other one automatically wins.
- When, at the end of the second and last extension round, no winner can be determined by the corner judges or according to scored points, the winner is determined as follows: if the difference in weight exceeds 10 lbs (4.5 kg), the lighter fighter wins; if not, a one minute extension round is imposed and the judges determine the winner afterwards.

### **8. GRABBING**

- Attacks and sweeping techniques with momentary grabbing (for half a second) are legal.
- Momentary grabbing (for half a second) of the head or neck is legal.
- Hair grabbing is illegal.

### **9. HAND OPEN TECHNIQUES**

- It is legal to push the opponent with the palm of the open hand.

### **10. ILLEGAL TECHNIQUES**

- All intentional kicks to the knee joint, such as Gedan Yoko Geri, Kakato Geri and Gedan Mawashi Geri.
- All punches, elbow strikes and head-butt to the face or neck.
- All strikes to the groin or to the back.
- A sweeping technique followed up by falling on the opponent with the purpose of causing damage.
- Escaping the fighting area in order to avoid an opponent (resulting in half a point deduction).

### **11. WARNINGS**

- The head judge may issue unofficial warnings to the fighters while a fight is in progress.
- An official warning is either a decision by three or more judges or by the head judge alone.
- All official warnings must be entered on the official scoreboard.

### **12. DISQUALIFICATION**

- If a **violation occurs**, two (2) warnings will result in half a point deduction and four (4) warnings will lead to the disqualification of the fighter at fault.
- If a **violation is clearly intentional**, the head judge may impose a half a point deduction immediately or disqualify the fighter at fault immediately.
- If a fighter shows a lack of sportsmanship, the head judge may disqualify him immediately.
- The final decision to disqualify a fighter rests with the head judge.
